EDUCATION

KIT-Kalaignarkarunanidhi Institute of Technology, Coimbatore – Tamilnadu, India **2024 – 2028**
B.Tech Artificial Intelligence & Data Science | III-year Current CGPA: **7.92/10.0**
Coursework: Data Structures Algorithms, Database Management Systems, Operating Systems, Computer Networks, Object-Oriented Programming, Computer Architecture, Artificial Intelligence, Machine Learning

EXPERIENCE

Python Development Intern | Cognifyz Technologies *(Online)* *jan 2026 – Feb 2026*

- Developed Python programs by applying object-oriented programming and problem-solving concepts.
- Worked on programming assignments involving debugging, code optimization, and logical implementation.
- Strengthened coding proficiency through hands-on projects and real-world development tasks.

AI & Machine Learning Intern | Nxtlogic Software Solutions *(Offline)* *May 2026 – Jun 2026*

- Gained hands-on experience in building and evaluating machine learning models using **Python**.
- Explored supervised learning techniques and practical AI workflows for solving real-world problems.
- Recognized for **excellent performance, sincerity, and consistent participation** throughout the internship.

PROJECTS

LIVE INTERACTIVE COMMUNICATION SYSTEM | Mern Stack

- A real-time web application that allows users to communicate instantly through chat, voice, video, notifications, or collaborative features using MERN Stack
- Built a **responsive and scalable interface** with React, integrating MongoDB

STUDENT TASK MANAGEMENT SYSTEM | Mern Stack

- A web-based application that enables students to organize, track, and manage academic tasks efficiently using the MERN Stack.
- Developed secure user authentication and role-based access to manage personal tasks, assignments, and deadlines.

TECHNICAL SKILLS

C C++ Python Java
Github DSA HTML CSS
DBMS

CERTIFICATIONS & COURSES

NPTEL – Java (Elite), DSA using Python, DBMS
Cisco – Python Essentials 1 & 2, OS Basics, Cybersecurity
Coursera – Responsive Website Basics, AI Essentials
Infosys – Basics of Business Communication
Guvi – Data Engineering & Big Data

COMPETITIVE PROGRAMMING

Leetcode: Max rating: **1546** | Solved problems: **500+** || Badges: **1**
Codechef: Max rating: **1168** | Solved Problems: **628** || Badges: **3**
Codeforces: Max rating: **883** | Solved problems: **10+**
Global Rank in CodeChef: **27837** | Solved **400+** DSA problems | Participated in **90+ Competitive Programming Contests**

ACHIEVEMENTS

- Competed in **CodeXtreme – 24-Hour Hackathon** conducted at KIT – Kalaignar Karunanidhi Institute of Technology, gaining hands-on experience in rapid problem solving and development.
